Charles Rennie Mackintosh kitchens include great design ideas, not just on the outside but also on the inside. Kesseböhmer storage solutions provide stylish, practical and functional solutions providing better organised and easier access to storage space.

In addition to brilliant functionality, Kesseböhmer storage solutions stand for exclusive design and a high quality finish. Internal cabinet space is used more efficiently than conventional systems, helping you get the most out of your Charles Rennie Mackintosh kitchen. Kesseböhmer stands for unparalleled user comfort and for a level of quality that sets standards worldwide.

Kesseböhmer Features and Benefits

Charles Rennie Mackintosh units are supplied with Kesseböhmer storage solutions pre-fitted, saving you time and money when installing (excludes L Shape Corner Base Units which are supplied ready-to-assemble).

'Softstop' soft close action is available on pull-out base units and larder units, incorporating Kesseböhmer storage solutions.

Solid bottom shelves available.

Greater load bearing capacity than conventional systems.

Greater level of usable space due to square edges on baskets.

Unique 'Le Mans' corner storage solution – Red Dot Design Winner – providing full access to corner unit storage.

(The Red Dot Design Award is one of the most highly prized and globally recognised seals of quality for outstanding design achievements.)
