

OMEGA SINKS & TAPS BY SCHOCK

The range of sinks and taps below have been specifically developed with Schock, providing a comprehensive and stylish offer.

Schock is the world's leading supplier of granite sinks and the Neptune range is made from their outstanding material, CRISTALITE®.

Schock sinks are easy to clean, safe for use with food and are finished with Schock Antibac. The special hygiene protection uses natural silver ions to reduce bacterial growth by up to 95% and make working in the kitchen cleaner and safer.

The range of stainless steel sinks from Schock are made from 18/10 grade stainless steel – the highest grade available – ensuring your sink is highly resistant to staining, rusting and corrosion.
